

**Ponting** foundation

Hi all Players and Supporters,

This year the SECA Junior competition is partnering with the **Ponting Foundation** in support of fundraising efforts for ***The Biggest Game of Cricket***. All money raised by the Biggest game of Cricket is being donated to the Royal Children's Hospital in support of the children's cancer unit. Our Cricket Club juniors are proud to be supporting this initiative.

Recently players from all the clubs in the Association got to meet Ricky and find out more about the Ponting Foundation Biggest Game of Cricket.

See the video and learn more straight from Ricky <https://vimeo.com/119039955>

The weekend round of matches 13<sup>th</sup> to 15<sup>th</sup> February have been specifically nominated to raise funds for the Ponting Foundation. We encourage you to raise money for this wonderful cause at your game over the weekend, and money raised will be recorded against our Club as a supporter of the Ponting Foundation.

Our Ponting Foundation Champion is <<INSERT NAME>>, and you can contact via email to <<EMAIL ADDRESS>> He is happy to help your fundraising efforts.

You can donate direct to the foundation under the clubs registration: <<INSERT LINK>>

Please give generously.
